

ABOUT SCSCY

Southern Christian Services for Children and Youth, Inc. serves children, youth and families throughout Mississippi through a number of programs. These programs include adoption and foster care for children and youth with special needs, transitional living services for homeless youth, state-wide counseling services to children and youth suffering with Post Traumatic Stress Disorder, and group home care for boys who have experienced abuse and neglect. SCSCY also provides evidence-based parenting classes to parents in early substance abuse recovery and to incarcerated parents preparing for community re-entry-all in an effort to decrease child neglect and abuse throughout Mississippi and to help victims of abuse and neglect heal.
